Equine Influenza Health Declaration Form (EIDF)

Name of horse: _____

Owner: _____

Date temperature taken: _____

Time temperature taken: _____

Temperature

This horse's temperature was taken before it travelled to Cartmel Show. It's temperature was recorded as: _____ C

Declaration

This form is to certify that I, the Responsible Person for this horse, declares that the horse has not shown any clinical symptoms of Equine Influenza within the previous 14 days. I acknowledge that I need to present this form, together with the horse's passport, to the Cartmel Show equine welfare staff at the racecourse/showfield upon arrival. The horse's passport will be checked to ensure that the horse has been vaccinated within the past six calendar months of the event date.

Responsible Person Name: _____

Signature: _____

***NB. This form must be provided to the equine steward/vets

IN ADVANCE of the animal being unloaded from its transport.

***NB. To comply with the rules of the BHA and Cartmel Steeplechase the landlord of the Cartmel Agricultural Society annual show, all horses need to be checked by our nominated vets before unloading. No completed paperwork will automatically mean you will be not be allowed to unload and refused entry to the show
